Emergency Closings

When schools close early due to inclement weather, power failures, excessive heat or other emergencies, Play Keepers must also be closed. If afternoon activities are cancelled, Play Keepers must close. Therefore, students will be dismissed from school at the end of the day. Parents should register for Rainedout through our website, www.playkeepers.com, for notifications of Play Keepers closings. Please make sure your child is aware of the procedures he/she will follow should Play Keepers not be available for care due to emergency situations. All children in Play Keepers will be dismissed by the school using the requested transportation plan listed below. **We will make one phone call to notify you of a Play Keepers closing.** Please note below the phone number you wish for us to use.
