

**Please remember Play Keepers' Outdoor Play policy which is based on MSDE Licensing Regulations and MSDE Playground Safety Guidelines.**

- . All children will go outside everyday unless the weather conditions are absolutely unsafe (i.e. lightning, heavy rain or snow falling, temperature above 95 degrees or below 20 degrees.)**
- . Please check the weather forecast each morning and send appropriate clothing for outside play. The decision concerning what outdoor clothing is required for your child is between you and your child.**

\* More information can be found in the Play Keepers Parent Handbook
